

DECLARATION REQUESTING RESPONSE WITH SPECIFIC FACTS.
(CALIFORNIA GOVERNOR-PERSONAL ACTIONS)

Governor Gavin Newsom
1303 10th Street, Suite 1173
Sacramento, CA 95814

I, Jesse Robert, the undersigned claimant, hereinafter, "Declarant," Domiciled at 622 Windsor Ave. Goleta, 93117, hereby make this Declaration, and I here by affirm, declare and swear, under my oath and under the pains and penalties of perjury under the laws of the United States of America and of this state, that I am of legal age and of sound mind and hereby attest that the statements, averments, claims, charges and information contained in this Declaration are true and correct to the best of my knowledge.

The purpose of this document is to set forth the reasons no local politician or bureaucrat should continue to support the Governor's unconstitutional mandates made under the guise of "public health." I ask you to read this document with an open and receptive mind even if, ultimately, you conclude you disagree with me. I also request that you provide me a written response on those points where we disagree in order to open a dialogue that will, hopefully, lead to a resolution acceptable to both of us.

ASSUMPTIONS THAT UNDERGIRD THE STATEMENTS IN THIS DOCUMENT

To state the doctrine most simply, if you want to limit power, as the Framers plainly did, don't give it in the first place.

Our Founding Fathers used the same structural concept when delegating power to the State and Local governments: The powers are inherent in the individual, and the individuals, as a group, delegate some of those inherent powers to the State and to the Local government.

What is significant about the individual's delegation of powers to Federal, State and Local government is that *the individual still maintains a share of the powers* he or she delegated to the government. Thus, the American Constitutional Republic is still guided by "We, the People."

SIGNIFICANCE OF THESE FOUNDATIONAL TRUTHS TO MY REQUEST TO YOU.

The significance of America being a Constitutional Republic is that the Constitution is the Supreme Law of this Land. Any purported "law", statute, code, regulation, rule or policy made consistently with the enumerated powers of the Constitution are presumed valid. In contrast, any purported law, rule or regulation which opposes and/or violates the Constitution in anyway whatsoever, is lawfully null and void. *No bureaucrat, politician, or person acting in an official capacity has any legal authority to restrict the Constitutional rights of any law-abiding citizen.*

I am informed and believe that you, **Governor Gavin Newsom**, asserted dictatorial control as governor on March 4, 2020, after assuming Emergency Executive powers under false allegations by the World Health Organization and the United Nations of a viral "pandemic". You used these powers unconstitutionally ordering over 22,000,000 "mail in ballots" for the November 3, 2020, General Election without the proper statutory citations. Without the statutory citations the ballots cannot be cast nor counted thus creating a nullity in the November 3, 2020 election. As a result you violated my Constitutional Rights on November 3, 2020.

Governor Gavin Newsom you have violated my Constitutional Rights by false ascertainment of the November 3, 2020 General Election by certifying 55 fraudulent Electoral Votes of the California state General Election of the November 3, 2020, results to the Archivist of the United States Congress.

Governor Gavin Newsom you violated my 1st Amendment Rights by issuing unconstitutional laws, edicts, orders and mandates that have destroyed the people's rights to establish religion and prohibited the free exercise thereof; abridged freedom of speech, of the press, to peaceably assemble and to redress of grievances.

Governor Gavin Newsom you have violated my Constitutional Rights by forcing unnecessary taxes fees, fines and levies without representation.

Governor Gavin Newsom you have violated my Constitutional Rights and the Constitutional Rights of over 5 million K-12 students by closing schools and failing to provide the necessary funding and facilities to educate the children of California state.

Governor Gavin Newsom you have violated my Constitutional Rights by forcing unconstitutional medical mandates including forced masking, forced social distancing, (considered by federal authorities to be a form of torture), unnecessary medical treatments that violate my human rights and violate the Nuremberg Codes for forced human experimentation. Your mono party dictatorship insists upon mandatory "vaccines" that contain gene-editing technologies that have the potential of being weaponized upon racial lines. Yet Governor Newsom you allow these technologies that are far too dangerous to be allowed and play into racial purity doctrines, such as *"critical race theory"*.

Governor Gavin Newsom you have violated my Constitutional Rights by financial mismanagement of an unprecedented proportion where billions of federal and state tax dollars have been "laundered" fraudulently to the enemies of the United States of America.

Governor Gavin Newsom you have violated my Constitutional Rights by issuing unconstitutional laws, edicts, orders and mandates that have forced the of closure tens of thousands of businesses and industries thus destroying free market capitalism in California.

Governor Gavin Newsom you have violated my Constitutional Rights by violating Article IV, Section 4 of the United States Constitution a republican form of government, freedom from invasion and domestic violence.

Governor Gavin Newsom you have violated my Constitutional Rights by aiding and abetting false natural disasters. You, by your orders have created a man-made drought by allowing the deliberate draining of California's reservoirs thus denying farmers, ranchers and the general public access to the basic element of life water.

Governor Gavin Newsom you have violated my Constitutional Rights by following a coordinated design with the intent to actively engage in *"Acts of Insurrection"* against the U.S. Constitution.

Governor Gavin Newsom you have violated my Constitutional Rights by actively engaging in "Acts of Secession" that have created a reign of terror on United States Citizens living in California with the intent to secede from the United States of America to thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

Governor Gavin Newsom betrayal by you as the sitting governor of California, along with the mono-party legislature and local elected officials is evidence of "Abdication of your Responsibilities of Authority and Sovereignty" over the Citizens of the United States living in California State.

I respectfully request you send a written response to me, addressing each and every issue raised herein within ten (10) calendar days. If, for any reason, you fail to respond as requested to the issues herein, your failure may well be regarded in any future legal or political proceeding as a tacit admission that the allegations are true and correct (Please see U.S. v. Tweel, 550 F. 2d. 297: "Silence can only be equated with fraud where there is a legal or moral duty to speak or where an inquiry left unanswered would be intentionally misleading.")

APPLYING THE FOUNDATIONAL CONCEPTS TO THE ISSUES AT HAND:

For the reasons set forth herein, I believe I have clearly demonstrated how you have violated your lawful Constitutional and statutory authority, and, by such action have violated the Federal and State Constitutions and your oath of office. Your actions as set forth herein have acted against the public good by violating the public trust and warring against the Constitution.

There is nothing in the State or Federal Constitution that says its provisions will be suspended during a "pandemic", real or imagined. Do you agree?

Our "public servant's" actions mandating the wearing of masks, limiting assemblies and/or closing churches have no basis in any proven authentic medical research and therefore exceed their lawful delegated authority. Do you agree?

Our Founding Fathers knew that government serves with the consent of the governed. I do not consent to any unconstitutional order by any politician or any bureaucrat at any level of government, Federal, State, or Local. Further, no politician or bureaucrat can lawfully compel me to engage in any activity which could bring harm or damage in any way whatsoever to my emotional and mental well-being and to my physical body, which belongs to me and to no one else. Do you agree?

Our Founding Fathers were wise enough to protect our right to freely associate with those of our choosing. Forcing any member of the public who is neither sick nor contagious into isolation is an unconstitutional violation of one's Constitutional freedom of association.

To continue violating the Constitutionally guaranteed rights of each member of the public without their knowing and informed consent is truly outside the boundaries of our National and State Constitutional law.

The damages claimed herein are an unlimited civil case if a lawsuit were instituted.

If you disagree with anything stated in this notice, then please respond to me with the specifics of your disagreement. Any un rebutted point raised herein may well be regarded as an admission by you.

Yours truly,

A handwritten signature in blue ink, appearing to read "J. Robert".
